

Milborne Port Football Club

Safeguarding Children Policy and Procedures

1. Milborne Port Football Club acknowledges its responsibility to safeguard the welfare of every child and young person who has been entrusted to our care and is committed to working to provide a safe environment for all members. A child or young person is anyone under the age of 18 engaged in any Club football activity. We subscribe to The Football Association's Safeguarding Children - Policy and Procedures and endorse and adopt the Policy Statement contained in that document.

2. The key principles of The FA Safeguarding Children Policy are that:

- The child's welfare is, and must always be, the paramount consideration
- All children and young people have a right to be protected from abuse regardless of their age, gender, disability, culture, language, racial origin, religious beliefs or sexual orientation
- All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately
- Working in partnership with other organisations, children and young people and their parents/carers is essential.

We acknowledge that every child or young person who plays or participates in football should be able to take part in an enjoyable and safe environment and be protected from poor practice and abuse. Milborne Port Football Club recognises that this is the responsibility of every adult involved in our club.

3. Milborne Port Football Club has a role to play in safeguarding the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is noted and accepted that The Football Association's Child Protection Regulation (see The FA Handbook) applies to everyone in football whether in a paid or voluntary capacity including all volunteers, match officials, helper on club tours, football coaches, club officials or medical staff.

4. We endorse and adopt The FA's Responsible Recruitment guidelines for recruiting volunteers and we will:

- Develop a role profile
- Request identification documents
- Where possible conduct interviews before appointing (as a minimum meet and chat with the applicant(s))
- Request and follow up with two references before appointing
- Require an FA CRB Unit Enhanced Disclosure where appropriate in line with FA guidelines.

All current Milborne Port Football Club members (including officers, managers, coaches and volunteers) who are regularly caring for, supervising, training or being in sole charge of children and young people are required to complete a CRB Enhanced Disclosure via The FA CRB Unit. If there are concerns regarding the appropriateness of an individual who is already involved or who has approached us to join Milborne Port FC guidance will be sought from The Football Association. It is noted and accepted that The FA will consider the relevance and significance of

the information obtained via The FA CRB Unit Enhanced CRB Disclosure and that all decisions will be made in the best interests of children and young people.

The FA aims to prevent people with a history of relevant and significant offending from having contact with children or young people and the opportunity to influence policies or practice with children or young people. This is to prevent direct sexual or physical harm to children and to minimise the risk of 'grooming' within football.

5. Any adult or young person with concerns about a colleague can 'whistle blow' by contacting The FA Child Protection Team on 0207 745 4787, by writing to The FA Case Manager at The Football Association, 25 Soho Square, W1D 4FA, or alternatively by going direct to the Police, Children's Services or the NSPCC.

6. Milborne Port Football Club has appointed a Club Welfare Officer (CWO) in line with The FA's role profile and required completion of the Safeguarding Children and Welfare Officers Workshop. The post holder will be involved with Welfare Officer training provided by The FA and/or CFA. The CWO is the first point of contact for all Club committee members regarding concerns about the welfare of any child or young person. The CWO will liaise directly with the CFA Welfare Officer and will be familiar with the procedures for referring any concerns. They will also play a proactive role in increasing awareness of the RESPECT campaign, poor practice and abuse amongst their Club members.

7. Milborne Port FC acknowledge and endorse The FA's identification of bullying as a category of abuse. Bullying of any kind is not acceptable in our league. If bullying does occur, all players or parents/carers should be able to tell and know that incidents will be dealt with promptly. Incidents need to be reported to the CWO or alternatively, in cases of serious bullying, we may contact the CFA Welfare Officer.

8. Respect codes of conduct for Players, Parents/Spectators, Officials and Coaches have been implemented by Milborne Port FC. The Club has clear actions it will take regarding repeated or serious misconduct at Club level and acknowledges the possibility of potential sanctions which may be implemented by the CFA in more serious circumstances. All registering members will be required to adopt the Respect codes.

9. Safeguarding is everyone's responsibility. If you are worried about a child it is important that you report your concerns - **no action is not an option.**

- If the issue is one of poor practice they will either:
 - deal with the matter themselves or
 - seek advice from the CFA Welfare Officer (Shirley Needham)
- If the concern is more serious - possible child abuse – the CWO will, where possible, contact the CFA Welfare Officer first, then immediately contact the Police or Children's Services

- If the child needs immediate medical treatment take them to a hospital or call an ambulance and tell them this is a child protection concern. Let your CFA Welfare Officer know what action you have taken
- If at any time you are not able to contact your CWO or the matter is serious then you can either:
 - contact the Somerset County Football Association's Welfare Officer directly or
 - call The FA/NSPCC 24-hour Helpline for advice on 0808 800 5000 or
 - contact the Police or Children's Services.

NB - The FA's Safeguarding Children Policy and Procedures is available via www.TheFA.com/Footballsafes. Click on the 'downloads' under Policy and Procedures, it outlines in detail what to do if you are concerned about the welfare of a child and includes flow diagrams to describe this process. This is also covered within the Safeguarding Children workshop, where participants are given the opportunity to discuss how this feels and how best they can prepare themselves to deal with such a situation.
